

COLLEGE CONSULTATIONS

AU LAC INSTITUTE

SERVICES

The consultation program offers one-on-one meetings that focus on the application process, personal statements, academic counseling, course planning, and development of a successful application in both English and Vietnamese.

ABOUT THE PROGRAM

The college consultation program offers students assistance in the college application process. Our goals are to plan, support, and guide students through all the challenges leading up to their acceptance into a top tier university.

ABOUT THE CONSULTANT

Our college consultant is a current student in the University of San Diego's Business School and has experience in both the UC applications and CommonApp. He also is knowledgeable on various programs to ensure that your student will build a strong application.

CONSULTANT CONTACT

Feel free to contact our consultant for further information and begin your pathway to success!
